2. Managing the Department: Skills for Chairs Workshop -

Mira Mar

Ronald E. Smith, MD, Moderator

This workshop is specifically designed to assist the new Ophthalmology Chair in dealing with the basic responsibilities and challenges which he or she will face in the first few years as Chair. A survey of AUPO members indicated that fund-raising, strategic planning, firing and hiring faculty, and understanding balance sheets, spread sheets, and other financial data, were the top challenges for a new Chair. Fund-raising, transitioning from faculty member to Chair and Leader, and understanding and using financial data, and establishing operational efficiencies will be emphasized in 2010. The faculty includes *Ronald E. Smith, MD, Mark S. Blumenkranz, MD, Randall J. Olson, MD, and David L. Epstein, MD*. The workshop consists of presentations followed by question-and-answer periods.

- Making the Transition from Faculty Member to Chair and Leader: Principles and Resources - *Ronald E. Smith, MD*
